

## H20 INTERNATIONAL HEALTH SUMMIT

13 & 14 November 2014 • Melbourne

### MELBOURNE HEALTH SUMMIT MEMORANDUM

#### HEALTH IS A WISE INVESTMENT

**The H20 Health - Health People, Successful Economy (Melbourne 2014) - Summit wishes to emphasise to the Worlds' Leaders, including those at the G20 Australia, that health and health care are core components of a fair, just and successful economy.**

**We urge that there be meaningful dialogue with the Health Sector to progress better health outcomes across Nations.**

#### **We note that:**

- Concerns about health costs exist in all nations.
- Health of Nations is a core component of the Wealth of Nations.
- Good health systems are a marker of a fair and just society.
- The Health Sector employs significant numbers of people.
- A productive society depends on a healthy, engaged and
- Confident workforce.
- People participating and contributing in the economy continue to do so if kept healthy.

“Health is the greatest social capital a nation can have”.
