Open letter

Prime Minister Mitsotakis,

As doctors we are deeply distressed about the escalation of the humanitarian crisis on the border between Greece and Turkey. We call upon all authorities involved to safeguard the human rights of every person present in the border region. Action is most urgent to protect the most vulnerable migrants, in particular children, from any further violence.

We urge all parties to respect international human rights law and work towards an urgent resolution of the situation.

Yours sincerely,

Prof. Dr Frank Ulrich Montgomery
CPME President

Dr Miguel R. Jorge
WMA President

The Standing Committee of European Doctors (CPME) represents national medical associations across Europe. We are committed to contributing the medical profession's point of view to EU institutions and European policy-making through pro-active cooperation on a wide range of health and healthcare related issues.

The World Medical Association (WMA) is the global federation of National Medical Associations representing the millions of physicians worldwide. Acting on behalf of patients and physicians, the WMA endeavors to achieve the highest possible standards of medical care, ethics, education and health-related human rights for all people.
