

PROF. DR FRANK ULRICH MONTGOMERY

Prof. Dr Frank Ulrich Montgomery studied medicine at the University of Hamburg (Germany). After graduation in 1979 he specialized in Diagnostic Radiology and became a consultant in Radiology at the University Hospital Hamburg. He obtained posts in the “Marburger Bund” – the trade union of Hospital doctors - and was president of this organisation from 1989 to 2007. He was also president of the Physician Chamber of his hometown and finally was elected into the post of President of the German Medical Association from 2011 until 2019. He is presently holding the Presidency of the CPME (Standing Committee of European Doctors) and is Chair of Council of the World Medical Association.
